- **Deposit system for single keys or bunches of keys**
- **Ideal for garages and car rental companies**
- **Double bitted key lock (2 keys supplied)**
- **Can be wall mounted or post mounted**
- **Access can be from the left or right hand side**
- **Standard colour—silver grey**

How does it work?

Turn the drum in the direction of the arrow

Put the key in the opening of the drum

Release the drum

The drum turns automatically and the keys are secured.
